

Healthy Pet Tips

Now your entire family can be protected.

Veterinary medicine is amazing stuff. The cost of it, however, can sometimes hurt. With an affordable VPI® Pet Insurance policy, you can have real peace of mind. After all, the last thing you want to worry about when your pet gets hurt or sick is the cost. You simply want your pet to come home healthy.

Since your pet is a member of your family, you'll want the financial freedom to do everything medically possible to save your pet's life. And the great news is that your company employees will receive a group discount that makes a VPI Pet Insurance policy even more affordable! And if you have more than one pet, you can receive a multiple pet discount, too!

A VPI Pet Insurance policy covers a multitude of medical problems and conditions related to accidents or illnesses (even cancer) for dogs, cats, birds, ferrets, rabbits, reptiles and other exotic pets. There's no pre-authorization and you can keep the special relationship you have with your veterinarian since you can visit any licensed veterinarian worldwide. Coverage provides reimbursements for:

- Diagnostic tests
- Office visits
- Prescriptions
- X-rays
- Treatments
- Lab fees
- Hospitalizations
- Surgeries

VPI's optional Pet Well Care Protection coverage also helps dog and cat owners with the cost of regular routine care that is necessary to keep pets healthy. There's no deductible on routine care benefits and coverage helps pay for:

- Annual wellness exam
- Heartworm protection
- Choice of spaying/neutering, or dental cleaning
- Vaccinations
- Prescription flea control
- Comprehensive blood screen
- Urinalysis or kidney testing and more
