

#1 Veterinary-Recommended

Pet Health Insurance

Superior pets deserve a **SUPERIOR PLAN**

Protecting your pet with a VPI[®] Superior Plan means that you can rest assured in knowing that you have the best year-after-year coverage available. Designed to protect your pet and your pocketbook from unexpected veterinary costs, VPI Pet Insurance provides coverage for the multitude of conditions listed on our benefit schedule. Your pet's health and well-being are always our top priority. This means that we'll always be there when you need us—that's our commitment to you.

Coverage Highlights

Accidents and Illnesses

If your pet ever gets hurt or falls ill, you won't have to worry. VPI provides comprehensive coverage.

Diagnostics

Specialized tests like MRIs, CT scans and ultrasounds are included in your coverage, making it easier for your veterinarian to identify and treat underlying problems.

Prescription Medications

FDA-approved medications prescribed by a licensed veterinarian for many diseases—including most skin ailments, allergies and ear infections—are covered by your VPI policy.

Surgeries

With VPI's quality coverage for surgeries, you can focus on getting your pet the proper veterinary care rather than worrying about cost.

Hospitalization

If your pet ever requires a stay in a veterinary hospital for monitoring or treatment, you'll have peace of mind knowing that your VPI policy will reimburse a portion of the expense.

Cancer Treatments

Cancer is the number one cause of death and the number one concern of pet owners.* VPI protects you from the high costs associated with chemotherapy and radiation treatments.

CareGuardSM Coverage

Fetch immediate benefits by adding CareGuard coverage to your Superior Plan. This optional coverage puts your premiums to use right away by providing reimbursements for common preventive care treatments your pet needs to maintain good health. Best of all, there's no deductible for CareGuard claims!

CareGuard coverage includes:

- Vaccinations
- Flea and heartworm preventive medications
- Bi-annual wellness exams
- Dental cleaning or spay/neuter[†]
- And much more!

[†]Dental cleaning and spay/neuter benefit offered with CareGuard Premier coverage

Put your VPI policy to work in three easy steps!

STEP 1

Visit your veterinarian.
Pay for your pet's treatment at the time of service.

STEP 2

Submit your claim.
Fax or mail our easy-to-use claim form along with your receipts.

STEP 3

Receive reimbursement.

After a \$50 per-incident deductible, we reimburse you for 90% of the plan's benefit schedule.**

**The benefit schedule identifies the amount that is available for exam fees, diagnostics, medications, surgeries and other treatments. Check your policy for your plan's benefit schedule or view it online at petinsurance.com.

**The time to insure your pet is now, not after an accident or illness.
Buy a policy today—before you need one!**
